Dear Sir:

In response to the Official Action of July 11, 2008, please amend the above-identified application as follows:

IN THE SPECIFICATION

Please add the following paragraph to page 5.

IN THE CLAIMS

Please amend the claims as follows.

In the specification on page 5, a new paragraph is inserted after line 6 and before line 8 as follows:

In a further embodiment a metal or plastic spring may be disposed to press the enlarged base of the stem against the grommet.
